About Sands

Every day in the UK, 14 babies are stillborn or die shortly after birth.

Sands is the leading stillbirth and neonatal death charity and exists to reduce the number of babies dying and to support anyone affected by the death of a baby, before, during or shortly after birth.

Sands provides bereavement support services both nationally through its Freephone helpline, mobile app, online community and resources, as well as locally through a network of around 100 regional support groups based across the UK and run by trained befrienders.

Sands works in partnership with professionals, trusts and health boards and offers a range of training programmes and bereavement care resources to ensure that every bereaved parent and family receives the best possible care wherever they are in the UK.

Sands promotes improvements in practice and supports research to better understand the causes of baby deaths and save babies' lives.

Sands raises awareness of baby loss and works with governments, key influencers and other stakeholders to make reducing the number of babies dying a priority nationally and locally.

Over the past 40 years, Sands has grown into a national charity with a powerful vision shared by dedicated volunteers, fundraisers, members, donors, healthcare professionals, partners, staff and bereaved parents and families.

Sands has grown its income by over 40% since 2012 and, as part of the strategic plan to 2020, is focusing on how we can make the biggest difference to the lives of bereaved families and save babies' lives. To find out more, visit www.sands.org.uk

our vision at Sands is for a world where fewer babies die and anyone affected by the death of a baby receives the best care and support for as long as they need, wherever they live in the UK.

Join us and help create a world where fewer babies die.
