**National Bereavement Care Pathway
Manager – Northern Ireland**

April 2024

About Sands

Sands exists to save babies' lives and ensure that anyone affected by pregnancy loss or baby death receives the support and care they need.

We provide bereavement support services both nationally through our Freephone helpline, mobile app, online community and resources, as well as locally through a network of more than 100 regional support groups based across the UK and run by trained befrienders.

Sands works in partnership with professionals, trusts and health boards and offers a range of training programmes and bereavement care resources to ensure that every bereaved parent and family receives the best possible care wherever they are in the UK.

We promote improvements in policy and practice, and support research to better understand the causes of deaths and save babies' lives.

Sands raises awareness of baby loss and works with government, key influencers and other stakeholders to make reducing the number of babies dying a priority nationally and locally.

Since 1978, Sands has grown into a UK-wide charity with a powerful vision shared by dedicated supporters, healthcare professionals, partners, staff and bereaved parents and families.

Sands has grown its income by more than double since 2019 to £7m and, as part of our strategic plan, is focusing on how we can make the biggest different to the lives of bereaved families and save babies' lives. To find out more, visit www.sands.org.uk

Our vision at Sands is for a world where fewer babies die and anyone affected by the death of a baby receives the best care and support for as long as they need, wherever they live in the UK.

Join us and help create a world where fewer babies die.

Sands Staff Benefits

Annual Leave

Life Insurance

All Staff are covered by a Life Insurance Policy which pays 3 x annual salary to nominated beneficiaries. Staff also have access to additional services from Legal and General including legal and financial support, a medical helpline, and a health and wellbeing platform. Additionally, Staff have access to a wide range of shopping offers and discounts, plus advice on finding and funding later life care for their loved ones or themselves.

Flexible Working

All Staff can apply for flexible working with effect from their first date of employment.

Maternity Pay

Staff on maternity leave are paid their full salary for the first 26 weeks of their period of leave.

Leave for the Death of a Baby or Pregnancy Loss

Any member of Staff affected by the death of baby or pregnancy loss will be granted leave paid at their normal salary, regardless of the type of loss.

Sands is a vibrant, growing charity!

With a clear strategy, Sands is repositioning as a learning, developing organisation which aims to achieve excellence through people and offers a collegiate, collaborative working environment – making it an especially exciting time to join the charity.

Sands is an inclusive and diversity-friendly employer. We are committed to promoting equality, valuing diversity and working inclusively. We welcome and encourage applications from people of all backgrounds and do not discriminate on the basis of disability, race, colour, ethnicity, gender, religion, sexual orientation, age or any other category protected by law.

About the role

Sands is looking for an experienced project manager to manage the development, delivery and review of the National Bereavement Care Pathway (NBCP) partnership project and embed it across NHS Trusts in Northern Ireland to drive up standards of care. This pathway addresses the inequity of bereavement care offered to, and experienced by parents when a baby dies – see www.nbcpathway.org.uk or www.nbcpscotland.org.uk for more details. The project is being sponsored by the Public Health Agency in Northern Ireland.

This is a high-profile and rewarding role which will involve developing and delivering a NBCP in Northern Ireland which is parent-centred and drives up standards of care. You will use your project management skills to help to initiate, develop and deliver the project, taking an early view whether to adopt a phased or an all-in approach amongst NHS Trusts in Northern Ireland. The post-holder will engage with health care professionals, national bodies, sector partners, senior decision makers and bereaved parents at both an operational and strategic level to ensure successful delivery of a sustainable pathway.

With demonstrable experience of leading project groups comprising a diverse range of stakeholders, you will have excellent people management skills and be able to reach-out, engage with and enthuse key stakeholders across Northern Ireland.

You will be able to establish and maintain high level, productive relationships with senior external stakeholders and organisations working in a collaborative and inclusive way.

An excellent understanding of how the NHS is structured is essential.

You will have highly developed interpersonal and communication skills, with the ability to communicate complex messages in a compelling way to a variety of audiences.

Please note this is a fixed-term role until 31st May 2026.

To apply:

Please submit your CV, together with a supporting statement that demonstrates how you meet the criteria in the person specification to recruitment@sands.org.uk. Please also complete the Diversity and Equality Monitoring Form and send this with your application.

CVs and supporting statements should be sent as attachments to an email in either Word or PDF format. The title of the attachments should be your first name, surname and either CV or supporting statement e.g. "Robert Harvey CV".

Closing date for applications: 9am on Tuesday 28th May 2024

Interviews will be held in person in Belfast on Wednesday 12th June 2024

For further information, contact Marc Harder, Head of Bereavement Care & Hospital Liaison marc.harder@sands.org.uk

As we have limited staff resources, we are unable to provide candidates with feedback about their applications.
