Christmas cards can be an expensive part of Christmas with some packs costing from £5.00 upwards for just 10 cards. This year, instead of buying individual cards why not wish your friends or colleagues a Merry Christmas by signing our big shared Christmas card and making a donation to Sands.

By making a donation to Sands, you are helping to provide support to those families who have experienced the death of a baby, supporting work to improve bereavement care and promoting research to reduce the loss of babies' lives.

With Best Wishes for Christmas and the New Year
