

Dear **NAME**

As your local constituent, I'm writing to ask you to support the #FindingTheWords campaign this June. Every day in the UK, 15 babies die before, during or shortly after birth. Sands – the stillbirth and neonatal death charity – is breaking the silence on baby loss.

ADD IN SOME LINES HERE TO TELL YOUR PARLIAMENTARIAN A LITTLE BIT ABOUT WHY THIS ISSUE MATTERS TO YOU OR YOUR GROUP

Please support the campaign by tweeting about #FindingTheWords from 1 June and by sharing the campaign video which is on the Sands' website [WE NEED TO HAVE THIS LINK READY] so that more of your constituents find out about this important issue.

I would welcome a reply from you to hear if this campaign is something you can support.

Best wishes
